

Research Grant Announcement 2008

The *Orient-Institut Beirut* offers research grants for PhD students and junior researchers on the post-doc level. Grants are available to support research on the region in the Humanities and Social Sciences.

The award consists of a monthly stipend of € 900 including free accommodation in the Institute for the duration of up to a maximum of one year. In case of external accommodation a subsidiary allowance of €230 can be offered.

Applicants must hold a MA degree in a Middles East related discipline. The application must point out the specific benefits expected from research work at the Institute and in the region. An advanced level in Arabic reading and speaking skills is required.

A basic command of German is expected from all applicants.

Applications must be submitted before **December 15 (2007)** to:

Director of the *Orient-Institut Beirut*
Prof. Dr. Stefan Leder
P.O.Box 11-2988
Beirut / Libanon

Please also e-mail to:

oib-dir@oidmg.org.

Applications must include the following documents:

- Cover letter
- CV
- Outline of the research proposal
- Letter of recommendation written by an academic supervisor
- Copies of the relevant degrees
- Attestation of Arabic language skills for non-Arab applicants, of German languages skills for non-German applicants.
